

Good Vision

September 2023

What we've been up to lately...

GoodVision Liberia's new home at St. Joseph's hospital, in the capital city of Monrovia, is ready for patients! We can't wait to welcome patients into our new eye clinic. Take a look at the before and after pictures below to see the transformation of the space.

Before

After

Hear from an original GVT, Ade!

“I am a single mother with one biological son and a foster son. I am a proud independent woman who can go anywhere; make money for herself, send her children to school. Grateful to GoodVision family for being a part of this organization.”

We are so grateful for Ade and her hard work for GoodVision!

Now is a great time to support our work. Every donation between now and October 20th will be matched up to \$20,000! These donations will support our team reaching more communities safely and reliably.
